Commitment to Corduroy Benefit Dinner

June 3

On Friday June 3rd, Lincoln FFA hosted their first ever Commitment to Corduroy Benefit Dinner, to raise money to support the students and activities of Lincoln FFA. We partnered with the Lincoln FFA Alumni Association, the Tahoe Cattlemen's Association, and Ed Mertens Insurance to put on this awesome event. In the McBean Pavilion, we welcomed more than 200 guests for dinner, drinks, music, and fun! The event was an amazing success, raising more than \$22,000 for the Lincoln FFA program! Mr. Willhite, the Lincoln FFA Advisor, is excited to use these funds to build back up the program's financial accounts, and to help support student activities, especially for conferences, field days, and conventions! Thank you to everyone in our fantastic community who bought tickets, sold tickets, donated items to the auctions, bought items for the auctions, or who just simply spread the word! We couldn't have done it without you all! Be on the lookout next year for the next Commitment to Corduroy Benefit Dinner!

Lincoln High School Graduation

June 10

This year, we said goodbye to the LHS Class of 2022. Many of the students who graduated tonight were a part of the Lincoln Agriculture Program, and we will certainly miss their presence in our program. We want to congratulate the 73 Seniors who graduated as Lincoln FFA Members, and especially the 39 of you who completed at least 1 full Agricultural Pathway! The Advisors of Lincoln FFA will miss you, but are excited to see where each of you goes next, keep us in the loop, and visit when you can!

Placer County Fair

June 23 - 26

Another year, another fair! Lincoln FFA Members showed their hearts out in the blistering heat at the Placer County Fairgrounds this year! More than 50 students were a part of the Lincoln FFA Livestock program for this year's fair, and many of them earned numerous awards for their successes in showmanship, and for their animals' successes in the market classes. Congratulations to all of the Lincoln FFA Fair exhibitors on another fantastic fair week!

Elementary Summer School Comes to the Farm!

June/July

For the 2nd year in a row, students from the elementary summer school program will be venturing out to the Lincoln High School Farm for 2 days of outdoor learning! Each class travels to the farm for 2 days, one focused on animal agriculture, and the other focused on the wetlands habitat we maintain. Mrs. Stephanie Maul, and her helpers have been doing a fantastic job of making these days fun, entertaining, and educational for these young students!

National FFA Convention - Delegates

Each year, more than 70,000 FFA members from across the Nation gather together in Indianapolis, IN to meet, exchange ideas, and conduct business to keep the National FFA Organization relevant and up to date. Each State Association is responsible for providing a group of delegates to attend the special closed sessions, and make those decisions that will affect the more than 700,000 FFA members world wide. This year, 109 CA FFA members applied to be National Delegates, and our very own Braden Miner, was among the 34 who were selected! Braden will travel to the convention with the California Delegation, and work with his fellow delegates, and those from other State Associations to create and make changes for our organization. Congratulations Braden!!!

New Website!

Lincoln FFA is proud to announce our new website! Our very own Lindsey Pineschi has spent hours building and creating our new website! It has all the information on Lincoln FFA, from updates, to ag classes and scholarships to opportunities. Check it out, and click on the "Contact Us" tab and enter your email to be added to our mailing list!

We entered our website into the National Chapter Website Contest, and **won** for the Superior Region! Lindsey will go on to compete at State Conference later this month against the 5 other region winners! Good Luck!
