2021 - 2022 Retiring Officer's Message

As the year is coming to an end, we are saying good-bye to this year's officer team. These amazing leaders have spent the last year working hard at creating an awesome year of events for all members of Lincoln FFA. As the FFA Advisor, it has been my privilege to work with them, help their vision come true, and to see them all grow this year. I am proud of each one of them for their passion and enthusiasm for agriculture education and the FFA Organization. Below, each of them has written a retiring message to the members of Lincoln FFA, and our community. Congratulations on a great year, I am beyond proud of each of you!

- Mr. Willhite, Lincoln FFA Advisor

Kyndal Rogers - 2021/22 Chapter President

Lincoln FFA and incredible advisors, what an amazing four years it has been. I have had the immense pleasure of being able to participate in numerous CDE and LDE teams, various Agricultural classes, and be a part of your officer team for two years. I am constantly amazed at the community within our chapter and the connections we make everyday. Lincoln FFA you continue to impress me through every hurdle, and I am proud at how far each and every one of you have come. Please continue to work diligently, be just in your decisions, and courteous to everyone no matter the situation. Thank you for everything and may you continue to thrive.

Frankie Sharif - 2021/22 Chapter Vice President

Lincoln FFA, It has been a wonderful experience serving this chapter throughout this past year! I have enjoyed working with my fellow chapter officers on continuing to grow and develop our chapter. Being a chapter officer will always be an experience that I will never forget. I can't wait to see where Lincoln FFA goes next year! Thank you Lincoln FFA!!

Mackenzie Culler - 2021/22 Chapter Secretary

This past year of service as Lincoln FFA Secretary has left me with lasting memories and leadership skills that will carry on with me into my life. It has amazed me to see the future leaders of our FFA chapter and the agriculture industry grow and find their place in our community. The support from our Advisors makes our program possible and allows for growth in our members. I am proud to have been of service wherever corn is grown and FFA members meet.

Della Lefty - 2021/22 Chapter Treasurer

This year has been an adventure for sure! I have had so much fun having the privilege of being your Treasurer this year. All of our work as a team paid off so much this year from planning to executing all of our events and meetings. This year was filled with so many memories that I will never forget, and continue to learn from everyday. We were able to do so many fun things this year, and I can't wait to see what next year brings for our chapter!

Adrienne Vite - 2021/22 Chapter Reporter

Lincoln FFA, it has been a pleasure serving this chapter! This year has been full of ups and downs whether it be waking up bright and early for activities or staying out late after meetings, but I wouldn't have traded it for the world. Members this year gave me the opportunity to make their FFA experiences memorable. My favorite memory this year is hands down the car ride to and from the State Conference where we blast music, tease each other, and create connections. Thank you to everyone for a spectacular year. I couldn't have asked for a better year. Lincoln FFA 2021-2022 Reporter signing off!

Ashley Moss - 2021/22 Student Advisor

Hey Lincoln FFA, I want to thank you all for the opportunity to serve as your Student Advisor this year. I definitely wouldn't be where I am today if it wasn't for all of you, my FFA Family, Officer Team, Advisors, Administration and supportive community members. This year I have learned so many new things along the way and one huge thing I was able to do was create an inclusive environment for all our members and encourage others to get involved in FFA. When I was going through a really rough time with my mental/physical health you all were there for me, giving me words of encouragement and support so I could keep going. I have enjoyed getting to know a lot of you and I hope to keep in touch as I am graduating this year and moving on to study Sustainable Agriculture and Business at Sierra College. I will miss you all so very much and good luck to next year's officer team.
