

Lincoln FFA

Program of Activities

2023 - 2024

The FFA Mission

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

Committee Definitions;

Executive

Officers & Advisor	Activities designed to bring FFA members together to inform them of chapter operations, and for recreation and entertainment.
--------------------	---

Growing Leaders

Leadership	Activities that help the individual develop technical, human relations and decision making skills to grow leaders.
Healthy Lifestyle	Activities that promote the wellbeing of students mentally or physically, in achieving the positive evolution of the whole person.
Scholarship	Activities that develop a positive attitude toward lifelong learning experiences.
Personal Growth	Activities conducted that improve the identity and self-awareness of members. These activities should reflect members' unique talents and potential by reinforcing their human and employability skills. The activities should strive to enhance the quality of life and contribute to members' life goals and development.
Career Success	Activities that promote student involvement and growth through agriculture related experiences and/or entrepreneurship and promote career readiness.

Building Communities

Environmental	Activities conducted to preserve natural resources and develop more environmentally responsible individuals.
Human Resources	Activities conducted to improve the welfare and wellbeing of members and citizens of the community.
Citizenship	Activities conducted to encourage members to become active, involved citizens of their school, community and country.
Stakeholder Engagement	Activities conducted to develop teamwork and cooperation between the local chapter and stakeholders.
Economic Development	Activities conducted to improve the economic welfare of the community.

Lincoln FFA POA

Strengthening Agriculture

Support Group	Activities conducted to develop and maintain positive relations among FFA, parents, and community leaders interested in supporting agricultural education.
Chapter Recruitment	Activities conducted to increase agricultural education enrollment and/or FFA membership and encourage greater participation.
Safety	Activities that enhance safety in the community.
Agricultural Advocacy	Activities conducted to articulate and promote agricultural programs, practices, policies and/or education to elicit action.
Agricultural Literacy	Activities that help consumers become better informed about the production, distribution and daily impact of food, fiber, and fuel.

Executive Committee & Other Committees

The executive committee will set goals and time frames for all activities for all committees at the summer planning meetings. From there, all activities are then put under the control of their designated committee.

Should a committee wish to change the nature of the activity, the time frame of the activity, or request financial assistance for the activity, they must contact the Chapter Vice President, who will bring up the request at the next executive committee meeting for approval or denial.

Development of a new activity;

Should a member, officer, advisor, or other stakeholder wish to see a new activity or event happen with the Lincoln FFA Chapter, a request of such event must be submitted to the Chapter Vice President, who will bring up the activity at the next executive committee meeting for approval.

Upon approval, the activity will be placed under the guidance of the most appropriate committee for the event. Should no currently active committee be most appropriate for the new activity, a committee suited to it shall be created.
